I, [redacted], being [redacted] years of age do hereby give this statement of my own free will, without promise or threat. To Dep. Beardoin #99 whom has been identified as a deputy with the Licking County Sheriff's Office.

On 8/23 at approximately 10:57 am at the start of a video posted on Facebook and filmed by [redacted] after previously calling the LCSO to have me removed and being rebuked by the ~~Deputies~~ Deputies. [redacted] dissatisfied with the outcome decided to end a non-qualified removal. In the course of such, he turned the lights out in the hall which another resident turned back on. This irritated [redacted] and he moved to turn them back off. In attempting to turn them back off his hand struck mine. After a period of time he ~~removed~~ removed his hand allowing me to turn the lights back on. He then struck my hand again to shut them off. On the way out of the building while shutting the doors to the hall, [redacted] released a buzzer card holding the open which he conveniently failed to control the buzzer card allowing it to strike me in the leg.

Should there be probable cause found, I would like to pursue the charges

The facts contained in the 1 pages of this statement are true and correct.
