Etna Township,

Hope you all are well, I am requesting all meeting minutes, emails, and any correspondence pertaining to Trustee Mark Evans assaulting Mr John Singleton.

Please provide any and all documentation from or to any party to include but not limited to the prosecutors office.

Please provide all receipts and formal requests for any costs the township incurred or was requested related to the above request.

Thank you.

Mr. Albrecht,

I would advise you to not spread libel or slander as there was no assault on an employee. I am currently preparing for a defamation claim against the township and Mrs. McKee personally for her libel and slander. I can easily add more parties to the suit.

I take these accusations seriously. All others should too.

Sincerely,

Mark Evans
