Help me understand this, I asked for agenda items, and that sparks anger over Nita?

Rozland,

You are nothing but a fraud.

McKee said she hopes that with Nita Hanson starting as the township's administrator April 3, the board of trustees can start to move forward. She added that Hanson plans to meet with each trustee to figure out each of their priorities.

McKee said she and the township employees want to work together with the other board members. "We are all professional people. We want to work. We want to get along. We want to communicate," she said.

Sincerely,

**Mark Evans**
